

Theory of superconductivity, Frühjahrssemester 2023

Course organization

Lecture: Tuesday, 8:15 - 10:00 Uhr, Seminarraum 4.1
Begin: February 21

Exercise class: Friday 13:15 - 15:00 Uhr, Seminarraum 4.1
Begin: February 24

ECTS credits and grade

Suggestion to be discussed in the first lecture on February 21:

To receive the **4 ECTS credits** and the grade “4”, you have to obtain 50% of the points in the homework problems. In addition there will be an oral exam that allows you to improve the grade.

Tutors:

Tobias Nadolny, office 4.48
Julian Arnold, office 4.10
Tobias Kehrer, office 4.48

The exercise sheets are available in the lecture and on the webpage
link to course page.
